Definition Of The Word “Service”

I became confused when I heard the word “Service” being used with these agencies:

1. Internal Revenue “Service.”
2. U.S. Postal “Service.”
3. Telephone “Service.”
4. Cable T.V. “Service.”
5. Civil “Service.”
6. State, City, County & Public “Service.”
7. Customer “Service.”

This is not what I thought “Service” meant.

But, today I overheard two farmers talking, and one of them said he had hired a bull to “Service” a few cows.

BAM! It all came into focus.

Now I understand what all those agencies are doing!

Good Medicine!
“A joyful heart is good medicine, But a broken spirit dries up the bones.” Proverbs 17:22 NAS

Service Dog

A blind man was out walking with his service dog when suddenly the animal paused and wet the man’s leg. Bending down, the blind man stretched out his hand and patted the dog’s head. Having watched what happened, a bystander said, “Why are you patting him? That dog just peed on your leg!”

“I know,” said the blind man, “but I gotta find his head before I can kick his butt.”
