## Mother and Daughter Design with Vintage Finds

Can relatives work together to create a successful business? Mother/daughter designer team Gladys and Celia Hanning share a design philosophy that makes working together at Junebug Furniture and Design fulfilling and fun. Scouting for vintage furniture, whether it be for a client, or gathering for a show, is one of the most stimulating aspects of their work. There's nothing quite like something old to give a home a brand new spin. Their philosophy and working relationship are put to the test each fall when the duo host the fun and inspirational Mad Hatter Vintage Flea Market at the Five Mile Grange. 509-990-4458 or Facebook: The Mad Hatter Vintage Flea Market
