Local "flag man", Hugh Fleet, has a lovely, well-stocked display of high-quality **U.S. HERITAGE FLAGS** at "Coffee & Books in Town Center". Hugh Fleet has given historic flags presentations for over 30 years to schools and organizations, and he has not lost his passion for the stories behind these historic flags.

U.S. HERITAGE FLAGS are a great way to declare the story of liberty! Share in George Washington's "Appeal to Heaven" by flying the Washington Cruiser Flag. Or, agree with the founding fathers by flying one of the 3 historic designs of the "Don't Tread On Me" (Gadsden) flags. And with the current assault of atheists against any crosses on public property, we can boldly fly a Christian flag to declare our understanding of true liberty.

U.S. HERITAGE FLAGS are very special Christmas gifts!
Coffee & Books in Town Center is open Monday - Friday, 9am - 4pm
