

Harrington Happenings

Harrington Future Business Leaders of America members Travis Bradford, Ben Nguyen, Juul van Paris, and Sidney Plaskon competed at the FBLA National Conference held in Baltimore.

A group of 14 kids and adults from Harrington and Sprague just arrived home from a 10 day trip to the East Coast. They enjoyed visiting Boston, New York, Philadelphia, Arlington and Williamsburg. It was a wonderful trip packed with lots of historical sights and eye opening experiences. Each day was spent walking through the city alongside a tour guide with an average of 6-7 miles per day.

Darren Mattozzi swearing in new Superintendent Wayne Massie. We are pleased to welcome our newest Harrington Panther, Superintendent Wayne Massie. Mr. Massie was selected from a pool of superintendent candidates to interview with the school board last week and then meet with staff and community members last Thursday evening. The Harrington School Board received excellent, positive feedback on Mr. Massie and has offered him the part-time superintendent position for next year. Mr. Massie comes to Harrington with almost 40 years of public education experience. Mr. Massie brings a wealth of knowledge, administrative skill and personal efficacy to the superintendent position. Most recently, Mr. Massie has served as the superintendent of the Keller School District. Prior to his time in Keller he has worked in several districts including Shelton, Tekoa and Ferndale. The board is very excited to have Mr. Massie on board and is looking forward to working with him closely in the coming months.

Sue Els (front) Craig Deppner and Ryan Behrens, just a few of the folks who attended the first annual Ritzville/Harrington Golf Tournament. Bruce Benzal from Ritzville and Randy Behrens from Harrington put the tournament together and did an awesome job!
